FICCI’s Annual Healthcare Conference

Journey over the years...
About FICCI

⇒ FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India’s struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

⇒ A non-government, not-for-profit organisation, FICCI is the voice of India’s business and industry.

⇒ From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry.

⇒ It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.

⇒ FICCI provides a platform for networking and building consensus within and across sectors.

⇒ The first port of call for Indian industry, policy makers and the international business community.
FICCI HEAL: Genesis & Objective

The flagship healthcare conference- FICCI HEAL, organized every year since 2007, supported by Ministry of Health & Family Welfare, GoI and in the recent years by NITI Aayog, has matured as a landmark interface between the industry and the Government to share knowledge and best practices and to deliberate on all pervading issues encompassing healthcare in the country.

The conference is attended by over 350 delegates, brings together all stakeholders of health sector encompassing healthcare providers, government officials, policy makers, representatives of embassies and multilateral agencies, medical technology and pharmaceutical companies, healthcare education providers, health insurance companies, financial institutions etc.

OBJECTIVES

- Suggest policy framework for achieving global standards of care
- To converge all stakeholders on one platform and arriving at consensual solutions on a variety of issues
- Facilitate sharing of knowledge and best practices
- Create awareness and interface with innovative healthcare practices, quality assurance mechanisms and marketing concepts
- Provide a unique platform to network and collaborate
